

CLAIMS

1. A composition comprising a distinct transparent aqueous phase and a distinct transparent oily phase, wherein the aqueous phase comprises at least 40% by weight with respect to the weight of the aqueous phase of one or more polyols, and the oily phase comprises at least 5% by weight with respect to the weight of the oily phase of one or more silicone oils, wherein the one or more polyols and the one or more silicone oils are present in amounts such that the refractive indices of the oily and aqueous phases are substantially equal.

2. The composition according to Claim 1, wherein the one or more polyols is present in an amount from 10% to 90% by weight with respect to the total composition weight.

3. The composition according to Claim 1, wherein the one or more polyols is present in an amount from 15% to 50% by weight with respect to the total composition weight.

4. The composition according to Claim 1, wherein the one or more polyols is selected from the group consisting of glycerine, glycols, sorbitol, sugars and mixtures thereof.

5. The composition of Claim 4, wherein the one or more polyols is one or more glycols.

6. The composition according to Claim 5,
wherein the one or more glycols are selected from the
group consisting of butylene glycol, propylene glycol,
isoprene glycol, dipropylene glycol, hexylene glycol
5 and polyethylene glycols.

7. The composition according to Claim 1,
wherein the weight ratio between the aqueous phase and
the oily phase is from 40/60 to 60/40.

8. The composition according to Claim 1,
10 wherein the weight ratio between the aqueous phase and
the oily phase is from 45/55 to 55/45.

9. The composition according to Claim 1,
wherein the oily phase comprises from 0.5% to 70% by
weight with respect to the total composition weight of
15 the one or more silicone oils.

10. The composition according to Claim 1,
wherein the oily phase comprises from 5% to 65% by
weight with respect to the total composition weight of
the one or more silicone oils.

20 11. The composition according to Claim 1,
wherein the one or more silicone oils is selected from
the group consisting of non-volatile silicone oils,
volatile silicone oils, and mixtures thereof.

12. The composition according to Claim 1,
25 wherein the oily phase further comprises at least one
non-volatile oil selected from the group consisting of
fatty acid esters containing 8 to 29 carbon atoms,

hydrocarbonated oils of plant origin, linear hydrocarbons, and mixtures thereof.

13. The composition according to Claim 1, which further comprises at least one surfactant
5 selected from the group consisting of anionic surfactants, nonionic surfactants, and amphoteric surfactants.

14. The composition according to Claim 13, wherein the at least one surfactant is present in a
10 quantity of from 0.01% to 1.5% by weight with respect to the total composition weight.

15. The composition according to Claim 1, which further comprises at least one dephasing agent.

16. The composition of Claim 15, wherein the
15 at least one dephasing agent is present in an amount from 0.025% to 5% by weight with respect to the total composition weight.

17. The composition according to Claim 1, which is suitable for use as a cosmetic or
20 dermatological composition.

18. A method of caring for, removing makeup from and/or for cleansing the skin, lips and/or eyes and/or hair, comprising applying the composition according to Claim 1 to said skin, lips, eyes and/or
25 hair.

19. A method of caring for, removing makeup from and/or for cleansing the skin, lips and/or eyes

and/or hair, comprising applying the composition according to Claim 2 to said skin, lips, eyes and/or hair.

5 20. A method of caring for, removing makeup from and/or for cleansing the skin, lips and/or eyes and/or hair, comprising applying the composition according to Claim 3 to said skin, lips, eyes and/or hair.

10 21. A method of caring for, removing makeup from and/or for cleansing the skin, lips and/or eyes and/or hair, comprising applying the composition according to Claim 4 to said skin, lips, eyes and/or hair.

15 22. A method of caring for, removing makeup from and/or for cleansing the skin, lips and/or eyes and/or hair, comprising applying the composition according to Claim 5 to said skin, lips, eyes and/or hair.

20 23. A method of caring for, removing makeup from and/or for cleansing the skin, lips and/or eyes and/or hair, comprising applying the composition according to Claim 6 to said skin, lips, eyes and/or hair.

25 24. A method of caring for, removing makeup from and/or for cleansing the skin, lips and/or eyes and/or hair, comprising applying the composition

according to Claim 7 to said skin, lips, eyes and/or hair.

25. A method of caring for, removing makeup from and/or for cleansing the skin, lips and/or eyes
5 and/or hair, comprising applying the composition according to Claim 8 to said skin, lips, eyes and/or hair.

26. A method of caring for, removing makeup from and/or for cleansing the skin, lips and/or eyes
10 and/or hair, comprising applying the composition according to Claim 9 to said skin, lips, eyes and/or hair.

27. A method of caring for, removing makeup from and/or for cleansing the skin, lips and/or eyes
15 and/or hair, comprising applying the composition according to Claim 10 to said skin, lips, eyes and/or hair.

28. A method of caring for, removing makeup from and/or for cleansing the skin, lips and/or eyes
20 and/or hair, comprising applying the composition according to Claim 11 to said skin, lips, eyes and/or hair.

29. A method of caring for, removing makeup from and/or for cleansing the skin, lips and/or eyes
25 and/or hair, comprising applying the composition according to Claim 12 to said skin, lips, eyes and/or hair.

30. A method of caring for, removing makeup from and/or for cleansing the skin, lips and/or eyes and/or hair, comprising applying the composition according to Claim 13 to said skin, lips, eyes and/or
5 hair.

31. A method of caring for, removing makeup from and/or for cleansing the skin, lips and/or eyes and/or hair, comprising applying the composition according to Claim 14 to said skin, lips, eyes and/or
10 hair.

32. A method of caring for, removing makeup from and/or for cleansing the skin, lips and/or eyes and/or hair, comprising applying the composition according to Claim 15 to said skin, lips, eyes and/or
15 hair.

33. A method of caring for, removing makeup from and/or for cleansing the skin, lips and/or eyes and/or hair, comprising applying the composition according to Claim 16 to said skin, lips, eyes and/or
20 hair.

34. A method of caring for, removing makeup from and/or for cleansing the skin, lips and/or eyes and/or hair, comprising applying the composition according to Claim 17 to said skin, lips, eyes and/or
25 hair.
